A magical time was had at our annual ASID LA Holiday Celebration and bi-annual Industry Partner Hall of Fame awards! Over 100 members and associates enjoyed the evening in style at the Capital Grille in Beverly Hills. Cynthia Burnett, ASID and the 2014 board of directors facilitated an un-bearably charity program to benefit Comfort for Court Kids, a charity that for over 20 years has provided teddy bears, emotional support for children who attend Juvenile Dependency Court. Ernestine Fields, Attorney, Founder and President of Comfort for Court Kids, has contributed to this issue so you can learn more about what Comfort for Court Kids is all about. Good work ASID. Way to bring a little Christmas cheer to the deserving youth of Los Angeles!

The night began with cocktails and delicious canapés. The main program was to honor the long-standing industry partners and companies whose contributions have been unwavering to the chapter and the profession. The IP Hall of Fame is exclusively reserved for Industry Partners who continually serve as active members of our chapter.

This year's worthy inductees are:

- **Carpet Craft, Inc.**
- **Jeannot Fine Furniture**
- **Sub-Zero Wolf**
- **Steinway & Sons**

Congratulations to the winners. We are grateful to your ongoing support.

The event would not have been possible without the generous support of our two Platinum sponsors, Ilona Draperies and Stone Mart, our Gold sponsors, Snyder Diamond and Carter Hardware, and our Silver sponsor, Emser Tile. Molte Grazie!! You too can be recognized at the next IP Hall of Fame winner. Get involved in the chapter and start making your contributions count today!

Last but not least special thanks go to Anne Wait, ASID for chairing the event and entire board of directors for their support. Cheers to 2014!
